# GROUP VOLUNTEERING

**An opportunity to give back to the community** during a meaningful outdoor team building experience

**We offer a variety of volunteer activities for corporate, non-profit, school, or other groups at our farm in El Granada.** Your volunteer work directly benefits thousands of Bay Area students who come the farm to learn where their food comes from and why it matters.

We can host groups of up to 20 people and will work with you to develop a schedule that fits your needs.

We recommend spending 2-3 hours at the farm.

Sessions include a brief tour and harvest so you can enjoy the fruits of your labors.

Requested donation from corporate groups is \$175 per hour, with a maximum of 3 hours on a given day. This taxable donation goes to help The HEAL Project grow healthy kids from the ground up. Schools, non-profits or government agencies can schedule a volunteer day with no cost.
