from the ground up.

# PROJECT meal

the

The logo for 'PROJECT meal' features the word 'PROJECT' in a bold, teal, sans-serif font at the top. Below it, the word 'meal' is written in a large, rounded, olive-green font. The letter 'h' in 'meal' is stylized to resemble a shovel, with its handle extending upwards and its head pointing downwards. The word 'the' is written in a smaller, olive-green, sans-serif font, positioned between the 'h' and the 'e'. The letter 'l' in 'meal' is stylized to resemble a plant stem with two leaves at the bottom. The entire logo is set against a white background with a thin teal horizontal line at the bottom.
