

What to expect at The HEAL Project Summer Camp!

We are thrilled to welcome your family to The HEAL Project camp. Please read through the following information about what to bring, the daily schedule, and parking.

Feel free to contact Naomi, our Farm Programs Manager, with questions, concerns, or inquiries at Farm@theHEALproject.org or 650-533-6985.

Our goal is for each and every camper to have the best time possible at camp.

If there is anything we can do to facilitate a positive experience please let us know.

What to Bring:

- A **Lunch AND** two **snacks** per day. We may be snacking on farm produce but do not consider these a substitute for snacks or lunch
- Water** bottle with plenty of water in it!
- Clothing **layers** that you don't mind getting a little dirty. Closed-toed shoes recommended. The weather is very changeable on the coastside
- Sun protection.** Sunscreen and sun hat are advised. We will help campers re-sunscreen after lunch but please pack your own.
- A positive attitude and be ready to have fun!

Parking Guidelines

We will meet at the public park on Bridgeport Drive for pick up and drop off (the red arrow on the map). The farm is a short walk from the park, at the north end of Bridgeport Drive. The best address to use to get to the parking/pick up and drop off location is:

300 Bridgeport Drive, Half Moon Bay, CA 94019

FRIDAY PICKUP/OPEN HOUSE: Pick up Friday afternoon is **at the farm from 2:15- 3pm- please note we will not walk campers to the park on Friday.** This is the best time for parents to see where their campers have been all week! Please **park at 300 Bridgeport Drive**, then walk to the north end of Bridgeport Drive to 500 Bridgeport Drive, take the short food path to the farm.

Bring a reusable bag, to carry your campers artwork home with you. Family and friends are welcome to join! The campers will prepare a healthy snack for the open house.

Daily Schedule

Drop-off: 9am, pick up: 3pm

We will meet as a group at the public park on Bridgeport Drive every morning and walk to the farm as a group around 9:30. Please do not leave campers at drop-off time without signing them in. We will be back to the park by 2:30 for a half hour of free play before pick up at 3pm. The farm is located at the end of Bridgeport Drive. Please do not be late for pick up. If you are going to be more than 10 minutes late please coordinate in advance with the Farm Programs Manager. Early pick up can be coordinated with staff. Campers who live within walking distance may, upon special arrangement with Farm Educator and parents, sign themselves out after the first day of camp. On the first day (Monday) of camp please plan on picking up your child.

Farm Wildlife:

The farm is adjacent to GGNRA wildlands so please be aware that caution is needed to avoid common irritants.

Please check campers for lice before the first day of camp and inform THP staff ASAP if any lice are found on your camper. If lice are found on any camper, THP staff will perform daily lice checks to make sure they have not been shared. If you want to opt out of the lice check please communicate with the Farm Programs Manager.

There may be small amounts of poison oak in the hills surrounding the farm on which we hike or hidden in the riparian zones around the farm. We identify and point out so campers can avoid it but please inform THP staff if your child has a strong allergic reaction.

Ticks may be found in the grass around the farm so please perform tick checks on campers each afternoon after they get home.

For more information about lice, poison oak, or ticks contact the Farm Programs Manager at Farm@theHEALproject.org or 650-533-6985.
